2. How do both documents define what constitutes a German and what constitutes a Jewish person?
3. In the *Law for the Protection of German Blood and German Honor*, what do you think the deal with Article 3 is?

HITLER AND ABSOLUTE POWER

- The Nuremberg Laws are often considered the "step of no return" as they start the extreme persecution and separation of the Jewish people
- By now, Hitler has absolute unquestionable authority....

What tends to happen to people who have so much power?

6. NIGHT OF THE LONG KNIVES

- purge of Nazi leaders by Adolf Hitler on June 30, 1934.
- Fearing that the paramilitary SA had become too powerful, Hitler ordered his elite SS guards to murder the organization's leaders.
- Also killed that night were hundreds of other perceived opponents of Hitler (estimates around 400).
- leaving Hitler the sole master of a nation intent on war and genocide.
