

Unit Two Study Guide- The Industrial Revolution

Choose three questions to answer and 20 terms to identify and define. Write your answers and identifications on a separate sheet of paper. You will staple this sheet to your study guide and turn it in on the day of the exam.

Questions:

- *What is an industrial revolution? What are the three phases of an industrial revolution? How did women participate in the Industrial Revolution?*
- *What caused factories to come about? What were the conditions like in factories? What was the impact of factories?*
- *What were the social, political, and economic impacts of the Industrial Revolution?*
- *How were Latin American countries impacted by their revolutions? Why did Latin American countries lack nationalism? How were minorities treated in Latin America? Examples?*
- *Why do we see racial nationalism in Germany? What is the purpose of it? What were the effects of it?*
- *What is imperialism? What is European superiority? What are the benefits and drawbacks of it? What are some key examples of European imperialism?*
